

Australian Mutual Bank is a community-based banking organisation that values its members and puts their interests first, providing quality banking, loan and investment services to the community since 1953.

Our purpose is to provide Australians who want ethical financial services with a bank that aligns with their values.

100% Customer owned

On becoming a member of our bank, you're not just a customer, you're an owner!

Creating social impact

We contribute to the wellbeing of our communities and provide a helping hand to those who need it.

Ethical banking

The benefit of our members, society, and the planet drives everything we do.

Environmental sustainability

We aim to reduce the environmental impact on our operations through improved efficiency and innovation.

Safe and secure

Eligible deposits are protected by the Financial Claims Scheme.

Australian Mutual Bank provides banking services for humans and social needs as opposed to corporate speculative gain.
